Motion: Moved by Sims and seconded by Baker that the Board adopt the following resolution authorizing administrator pick-up of STRS and SERS:

Be it resolved, effective November 24th, 2008, that the Pleasant Local School District Board of Education agrees to “pick up” the total amount of employee contributions required by Section 3307.26 or 3309.47, as applicable, of the Ohio Revised Code to be contributed to the State Teachers Retirement System (STRS) or the School Employees Retirement System (SERS), as applicable, by all employees who are defined by the District as administrators.

The Board of Education is permitted to pick up employee contributions pursuant to Sections 3307.27 or 3309.47 of the Ohio Revised Code, as applicable, and by Sections 414(h)(2) or 415 of the Internal Revenue Code, as applicable. These picked-up contributions, although designated as employee contributions, are being paid by the Board of Education in lieu of employee contributions and shall be paid by the Board as a fringe benefit in addition to the contract salary otherwise payable to the employee. These contributions shall not be treated as additional compensation for retirement purposes unless specifically so provided in the contract of the employee. Employees subject to the above-described pick-ups may not opt out of the picked-up contributions or elect to receive the contributed amounts directly instead of having them picked up by the Board of Education and paid to STRS or SERS, as applicable. For purposes of this resolution, the term “administrators” includes all persons employed pursuant to Sections 3313.22, 3319.01, 3319.02, and 3319.03 of the Ohio Revised Code. Prior pickups for the above described employees are hereby ratified to the extent permitted by law.
