Discussions: Mr. Bruno discussed the following proposed change from days to hours for the 2014-2015 school year.

**CHANGE FROM DAYS TO HOURS**

Effective with the 2014-2015 school year, the Pleasant Local School District is proposing to change its school year calendar from the traditional minimum number of school days per school year to the new state required hour-based schedule (minimal number of hours open for instruction per school year). The minimal hours the Pleasant Local District will be open for instruction for the 2014-2015 school year will be as follows:

- Half-day kindergarten students will receive a minimum of 455 hours of instruction per school year; and
- Full-day kindergarten through sixth grade students will receive a minimum of 910 hours of instruction per school year; and
- Grades seven through twelve students will receive a minimum of 1001 hours of instruction per school year; and
- The Pleasant Education Academy and The Pleasant Community School students will receive a minimum of 920 hours of instruction per school year.

Therefore, beginning with the 2014-2015 school year, the Pleasant Local School District will change to an hour-based schedule and will no longer have the use of "calamity days." In lieu of "calamity days," the Pleasant School District will schedule excess hours of instruction above the minimum number required by law. Hours missed above the minimum required by law do not have to be made up unless school closings cause the Pleasant Schools to fall below the required minimum number of hours open for instruction.

Public Comments: Andrea Johnston, parent of Pleasent student Lilly Johnston, requested permission on behalf of her daughter to conduct a fundraising campaign to assist River Valley Local Schools in re-planting trees after a recent incident of vandalism destroyed trees on the River Valley campus. Mr. Bruno expressed his opinion that any funds raised should be used for something other than, or in addition to, the trees that were destroyed by vandalism. He believes the fundraiser should not alleviate the burden of restitution for the individuals responsible for the act. The Board members agreed and instructed Ms. Johnston to coordinate the fundraising efforts with Mrs. Dason.
Administrative Reports: Administrative reports were provided by the following:
Lane Warner – Middle School Principal
Brian Sparling – High School Principal
Kirk Ballinger – High School Assistant Principal/Athletic Director
Shelly Dason – Elementary Principal
Vern Kollas – Technology Coordinator
Lori Kramp – Cafeteria Supervisor

WHEREAS, Chad Readier, chair of the Education, Public Institutions & Miscellaneous and Local Government Committee of the Ohio Constitutional Modernization Commission, has proposed to remove the standard of "thorough and efficient" from the Ohio Constitution, and

WHEREAS, we believe this would essentially remove any checks and balances that otherwise would be exercised by the judicial branch of government, be it therefore

RESOLVED, that the Pleasant Local School District, strongly opposes the removal of the words "thorough and efficient" from Article VI, section 2 of the Ohio Constitution, and be it further

RESOLVED, that the "thorough and efficient" clause be strengthened by adding a provision that each Ohio student shall have the fundamental right to high quality educational opportunities, and be it further

RESOLVED, that this resolution be forwarded to all members of the 130th General Assembly, the Governor, State Board of Education, State Superintendent of Public Instruction, Members of the Ohio Constitutional Modernization Commission, other state officials and the media.
